www.plumberschoice.com.au

Look what we've created now... Our NEW App!

Plumbers Choice has long been known as an innovative supplier. We are constantly bringing new products to market, products that make your life easier and more productive and products that bring a more professional finish.

And now we're excited to innovate the administrative side of things for plumbers with our NEW mobile app! Quickly search for a product, order your gear, pay a bill, check an invoice, request a quote or track an order all from the palm of your hand.

Available from both the App Store and Play Store download it today, sign in with the same details you would access our website on and start shopping today. If you are having trouble logging in reach out to either your personal sales rep or call us on (03) 9720 8274.

Save Your Order Templates

Have specific items you order regularly?
Want to setup kits or packs for certain types of jobs?

Our order templates make it easy to order your regular gear with just a single click. Simply add all the items to the cart and use the 'Save Order Template' button at checkout to create your template.

Request a Quote

Something doesn't look right?
Want a Rep to look it over?

Request a personalised quote directly from the checkout page before placing your order. Simply click a button and our team will swiftly provide you with a tailored quote.

INTRODUCING

OUR NEW MOBILE APP

Continuing to make things easier
for you to support Trade Only

Manage Your Account

Pay your account, look up a previous order, check the status of an order, get an updated quote. Whatever you need to do its now quick and easy in the palm of your hand.

Favourites

Typically buy the same gear?
Have things you regularly use?

You can now mark items as a 'favourite' item, then head to the Favourite Items page to access them all in one convenient location. No more scrolling endlessly to find your regularly purchased supplies.

Promotions & Specials

Be the first to know about our Promotions & Specials from the palm of your hand.

15mm outlet & tempering valve Code: 8300 | 20mm outlet & tempering valve Code: 8301

Andrew from AMT Plumbing in Bayswater said:

I recently tried the Quickie Kit on an install. I reckon it saved me at least 30-45 minutes. The insulation and cable ties included in the kit made for a nice neat finish. Everything I needed was there.

NIPPLE CUTTER & CATCHER

Fast way to cut bevel brass thread and lugged elbows

- Eliminates the risk of scratching tiles with a hacksaw
- Includes catcher to collect debris
- Reverse to bevel edges

R So much quicker than a hacksaw and the result is a much cleaner finish.
 Ronnie from AGF Plumbing & Gas

D Makes life easy, so quick and clean and the clear catcher is a big improvement.
 Dave from Dave The Plumber

Valid until 31st October 2024
